

ESPACE ALARM RANGE

WIRELESS SECURITY SYSTEMS

CONTROL PANELS

312-21W 3-group control panel with siren and keypad
4 types of protection, 3 separate intrusion protection groups, 20 detectors,
Built-in voice synthesis
Sand colour

371-21W 8-group control panel with siren, built-in telephone dialler module and keypad
4 types of protection, 8 separate protection groups, 80 detectors,
Built-in voice synthesis
Grey / silver colour
372-21W Sand colour

490-21X Telephone dialler module for control panel 312-21

DETECTORS

171-21X Compact motion detector: wide angle (12 m / 90° at 20° C)
172-21X Compact motion detector: long range (25 m / 10° at 20° C)
173-21X Compact motion detector: curtain (12 m at 20° C)
174-21X Compact pet immune motion detector "AnimalSense" (10 m / 75° at 20° C)

121-21X Dual-technology motion detector (10 m / 90° at 20° C)

141-21X External motion detector: wide angle (10 m x 10 m surface area protection)
142-21X External motion detector: long and narrow areas protection (20 m range)
143-21X External motion detector: areas close to vulnerable entrances protection (10 m range)

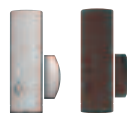

144-21X Pet-tolerant outdoor motion detector

145-21X External motion detector
2 x 12 m

Multicontact detectors:
271-21X white
272-21X brown

Door / window contact detectors:
273-21X white
274-21X brown

260-21X Audiosonic breakglass detector

261-21X Shock detector

230-21X External universal transmitter

221-21X Universal transmitter

Radio smoke detectors:
151-21X white
153-21X brown
154-21X grey silver

CONTROLS

612-21X 2-function remote control

614-21X 4-function remote control

626-21W Standard wireless remote keypad

636-21W Hardwired control interface remote keypad

646-21W LED information and control remote wireless keypad

668-21W Voice information wireless keypad with IR proximity detector and badge reader

686-21X Multi-functional portable wireless keypad
Operate lights, access and set up timed operations and more

TAGID Proximity identification badge

SIRENS

401-21X Siren
421-21X Strobe-siren (orange lens)
423-21X Strobe-siren (blue lens)

MISCELLANEOUS

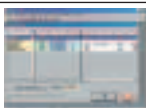

701-21X Radio repeater relay

Outdoor switching receivers:
712-21X 230 V / 230 V
713-21X 230 V / dry contact
714-21X 12/24 V / dry contact

710-21X Remote switched relay outputs receiver

810-21X Transload® CD-ROM uploading / downloading software
